

SHOPFLOOR KAIZEN BREAKTHROUGH

Key focus

1. A systematic, highly-effective action plan for your Lean transformation
2. The alignment and integration of Lean principles and Kaizen events with your strategic business objectives
3. Proven methods to build and maintain momentum and enthusiasm and drive cultural change within your organization
4. A system for planning, targeting and executing Kaizen events – and measuring their impact
5. The tools to rapidly achieve higher, sustainable levels of improvement

Who will benefit

- ▶ General Managers
- ▶ Plant Managers and staff
- ▶ Operations management team
- ▶ Continuous Improvement, Lean, Kaizen Promotion Managers and team members

Take The Next Step

Day one

1. Speed

- ▶ Why Kaizen Breakthrough is the fastest, most effective way to drive major, sustainable improvement across your manufacturing and back-room operations

Morning tea break

2. Action and Creativity

- ▶ Highlights of Kaizen Breakthrough – and why improvement occurs so quickly and dramatically

Lunch

- ▶ Teams will be challenged to address and fix problems immediately, with only the resources at hand and their collective brainpower

Afternoon tea break

3. Improvement Potential

- ▶ This workshop will demonstrate the tremendous improvement potential still ahead of you – even if you are already using Lean or Six Sigma tools – and how you can accelerate your efforts to realize major new efficiencies and competitive advantage

0900-1030

Take The Next Step

Day two

4. Low Cost

- ▶ Not only does significant improvement happen quickly, it also occurs without additional spending for new facilities, equipment or software systems

Morning tea break

5. Hands-On Learning

- ▶ Once we review key concepts and their rationale, we divide into teams and immediately start evaluating and improving the existing operation – leave your suit and tie at home!

Lunch

6. The Power of the Team

- ▶ The power of teamwork and collaboration is the core of Kaizen Breakthrough – and the energy and focus generated by each team is extraordinary
- ▶ You and your associates will return to your company with a renewed enthusiasm for improvement – and how to achieve it

Afternoon tea break

7. Long Term Impact

- ▶ The astonishing improvements made by each team are, in fact, typical
- ▶ Use these techniques to generate your own continuous, sustainable improvement, for years to come
